Neuropathy Update 4

September 18-19, 2026
Sava Centar, Belgrade, Serbia

Invitation letter

Dear Colleague,

It is our great pleasure to invite you to the symposium “Neuropathy Update 4”, organized by the Serbian Society for the Peripheral Nervous System and the Neurology Clinic of the University Clinical Center of Serbia, under the umbrella of the Society of Serbian Neurologists. The event will take place on September 18–19, 2026, at the Sava Center in Belgrade. Previous meetings (2014, 2018, and 2022) were highly successful and contributed significantly to improving the diagnosis and care of patients with neuropathies in Serbia and the region. The technical organizer of the symposium is the Association for Modern Prevention and Therapy of Diseases – Innovative Medical Therapies (IMT).

The symposium will present the latest clinical and research insights into pure and complex hereditary neuropathies, as well as immune-mediated polyneuropathies. Renowned international and local experts will participate as lecturers. The program is designed to bridge scientific research and everyday clinical practice, while addressing common challenges faced by physicians managing patients with different neuropathies. This event represents an excellent opportunity to update your knowledge, exchange practical experience, and strengthen professional collaborations.

We kindly invite you to register and participate in this unique educational event. For more information on registration, the program, and practical details, please contact us or visit our event website.

We look forward to welcoming you in Belgrade!

Yours sincerely,
Prof. Ivana Basta
Assoc. Prof. Stojan Perić

A Tradition of Quality and Continuity

AGENDA

September 18, 2026

08:30-09:30			Registration
SIMPLE HEREDITARY NEUROPATHIES			
09:30-10:00	Opening	Aleksandar Ristić, Zorica Stević, Ivana Basta, Stojan Perić	
10:00-10:20	Simple hereditary neuropathies	Davide Pareyson, Milan, Italy	
10:20-10:40	Genetic epidemiology of hereditary neuropathies in Serbia	Milica Vukojević, Belgrade, Serbia	
10:40-11:00	Biomarkers of hereditary neuropathies	Andreas Roos, Essen, Germany	
11:00-11:20	Discussion	All Speakers	
11:20-11:50			Coffee break
COMPLEX HEREDITARY NEUROPATHIES 1			A. Jordanova, S. Perić
11:50-12:10	Complex hereditary neuropathies	Alexander Rossor, London, UK	
12:10-12:30	Spectrum of CANVAS	Nataša Dragašević-Mišković, Belgrade, Serbia	
12:30-12:50	Hereditary spastic paraplegia and polyneuropathy	Albena Jordanova, Antwerp, Belgium	
12:50-13:10	Discussion	All Speakers	
13:10-13:40	Satellite symposium		
13:40-14:30			Lunch break
COMPLEX HEREDITARY NEUROPATHIES 2			B. Koritnik, S. Perić
14:30-14:50	Fabry disease	Blaz Koritnik, Ljubljana, Slovenia	
14:50-15:10	Acute intermittent porphyria	Vanja Virić, Belgrade, Serbia	
15:10-15:30	Hereditary amyloid transthyretin polyneuropathy	Teodora Chamova, Sofia, Bulgaria	
15:30-15:40	Discussion	All Speakers	
15:40-16:00	Modern therapy of spinal muscular atrophy	Vukan Ivanović, Belgrade, Serbia	
20:00-01:00	Gala dinner		

AGENDA

September 19, 2026		
09:00-10:00	Registration	
CHRONIC INFLAMMATORY DEMYELINATING POLYNEUROPATHY		C. Sommer, I. Basta
10:00-10:20	Have the new criteria improved diagnosis of CIDP?	Pietro Doneddu, Milan, Italy
10:20-10:40	Classic and novel therapies in CIDP	Filip Eftimov, Amsterdam, The Netherlands
10:40-11:00	Outcome of CIDP in real-life settings	Ivo Božović, Belgrade, Serbia
11:00-11:20	Nodo-paranodopathies	Claudia Sommer, Wurtzburg, Germany
11:20-11:40	Discussion	All Speakers
11:40-12:10	Satellite symposium	
12:10-12:40	Satellite symposium	
12:40-13:30	Lunch break	
MULTIFOCAL MOTOR NEUROPATHY		J. Allen, I. Basta
13:30-13:50	Are we in need of new MMN criteria?	Stephan Goedee, Utrecht, The Netherlands
13:50-14:10	Classic and novel therapies in MMN	Jeffrey Allen, Minneapolis, USA
14:10-14:30	MMN diagnostic pathway in real-life settings	Aleksa Palibrk, Belgrade, Serbia
14:30-14:50	Discussion	All Speakers
14:50-15:30	Meeting with patient advocacy group	All Speakers
Closing of the Symposium		Ivana Basta, Stojan Peric

Registration fees for participants

REGISTRATION FEES	
Early registration (until August 15, 2026)	100€ + PDV
Late registration (after August 15, 2026)	150€ + PDV
Early registration - Pharmaceutical industry representatives (until August 15, 2026)	100€ + PDV
Late registration - Pharmaceutical industry representatives (after August 15, 2026)	150€ + PDV
